I agree to read and understand all the guidance documents associated with the Phase 1 through Phase 3 of the WVSSAC summer conditioning plans for 2020. If I am unsure about any statement or any direction, I will contact my principal or athletic director for further guidance. I understand that student and staff safety are paramount to our endeavors as coaches and educators. Failure to comply with all guidelines set in Phases 1-3 may result in disciplinary action by George Washington High School or Kanawha County Schools.
